Baobab

BEACH RESORT AND SPA - DIANI

Back to Nature

Afya Bora is a Swahili word for Good Health. We have created our new spa experiences to be able to soothe, calm and nurture the body and mind. Experience our exotic location to enjoy complete seclusion and tranquility. Afya Bora Spa at Baobab Beach Resort & Spa means direct contact with the ocean and with one of the world's largest indigenous coastal forests - the perfect environment for relaxation and regeneration. Whether you are in one of our treatment rooms, outdoor Jacuzzi or our gym that has a 180 Degrees sea view or steam bath you will be comforted with an abundance of colours and life. Talk of flowers, butterflies and the ever changing shades of the Indian Ocean. Our Jacuzzi and Hydro Bath de-stress tired muscles after intensive exercise or a long, exhausting safari. A unique steam bath - with an air temperature of 45°C and 100% humidity - clears the respiratory tract, increases circulation and removes impurities. At the end of your treatment the rhythms of body and nature will beat in harmony.
