# GO GREEN

AT THE BAOBAB BEACH RESORT & SPA

*In a world of its own*

Dear Valued Guests,

Season's Greetings from My Team and I! As we usher in the joyous festive season and New Year, we are excited to share with you our special theme for this season – **"Going Green At The Baobab"**. We believe in the power of positive change, and this holiday season, we are proud to embark on a journey toward sustainability and environmental responsibility.

To kick off our commitment, we are delighted to announce the unveiling of a unique Christmas Tree, entirely from used glass bottles and crafted by our very own in-house décor team. These bottles would otherwise be disposed of in landfills as waste. This symbolic tree serves as a beacon, signaling the beginning of our dedication to reduce, reuse, and recycle waste.

**Going Green at The Baobab** is more than just a theme; it's a pledge to be responsible stewards of our planet. A few years ago, we completely banned the use of single-use plastics in the Resort. By repurposing materials like glass bottles into; drinking glasses, flower vases, and art, we aim to raise awareness about the importance of sustainable practices and the positive impact each of us can make.

This festive season marks the inception of a long-term commitment. Moving into 2024 and beyond, we will continue implementing eco-friendly practices throughout our resort operations. From waste reduction initiatives to energy conservation measures, we are dedicated to making a lasting difference for the environment and the planet.

We are excited to share this eco-friendly initiative with you. As you enjoy your stay at The Resort, consider embracing simple yet impactful actions such as:

**Reduce:** Minimize waste by being mindful of your consumption.

**Reuse:** Opt for reusable items and containers whenever possible.

**Recycle:** Dispose of waste responsibly in designated recycling bins.

By collectively adopting these practices, we can create a positive ripple effect and contribute to a healthier, more sustainable planet. Your support empowers us to pursue initiatives that align with our commitment to environmental responsibility.

We extend our sincere gratitude to each of you for choosing The Baobab Beach Resort and Spa as your holiday destination.

I wish you a Festive Season and a New Year filled with Joy, Peace, and a Green Spirit!

Warm regards,

**Jeff Mukolwe**  
General Manager
